Dear Al,

As you know, Scenic Hudson's Long Dock Park opened on July 9th and the response from both the public and the media has been overwhelming.

Success couldn't have been achieved without you and the other members of the dedicated team we have had the good fortune to work with. I am enclosing a thank you letter that ran in the Poughkeepsie Journal on Sunday, August 7th, in case you missed it.

Thank you again for helping to make this project happen!

Sincerely,

Steve Rosenberg

Al, we are grateful for all that Key has done to help make the project a success, and we look forward to buttoning up the last details, so we can all celebrate what will be a tremendous outcome for the Hudson.
